CHABLIS

DOMAINE SÉGUINOT-BORDET

Jean-François Bordet can trace his family's roots in Maligny back to 1590. The estate lies on the right bank of the river Serein, where the rich Kimmeridgian soils give the wines the minerality so typical of great Chablis. His unusual horizontal fermentation tanks give the wines more lees contact during maturation, adding to the complexity of this beautiful, pure, unoaked chardonnay.

DOMAINE ROY

The Roy family have been vigneronns in the village of Fontenay, just to the north of Chablis, for over 200 years. Today Claude Roy, together with his daughter Karine and nephew David, farm 20 hectares of vines on the right bank of the River Serein. They are one of the largest owners of the grands crus including a magnificent 3.5 hectare plot in Bougros. They have only recently begun to bottle a significant proportion of their harvest, having previously sold a majority in bulk to the negociants.

DOMAINE DES QUATRE CHEMINS

Isabelle Gauthier has taken over the family domaine and started bottling the wine for the first time. Previously this fine, substantial estate sold the entire crop as grapes, juice or wine to the big Beaune négociants. With a splendid array of vineyards centred on Fontenay adjoining the grands crus, it is not surprising that Isabelle is quickly gaining a fine reputation for her carefully vinified range of wines. Her 2020s are the best yet; beautiful examples of pure, crisp, unoaked Chardonnay.

DOMAINE LAURENT & CÉLINE NOTTON

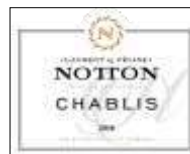

Laurent and Céline Notton established their 17 hectare estate in 2005. The estate is based in the village of Chichée, on the banks of the River Serein 3km upstream from the town of Chablis. Laurent believes in waiting for the grapes to attain full ripeness before harvesting. Their best wines are vinified in stainless steel vats to preserve the maximum of fruit and vitality.

DOMAINE YVON & LAURENT VOCORET

This 26 hectare family estate, based in the village of Maligny, dates back to 1707 and is currently run by the 6th generation, Laurent and his wife Clémentine. It was Laurent's father, Yvon, who was the first in the family to bottle his own wine rather than to sell it all in bulk. The domaine's Chablis comes from 40 year old vines which produce a characteristic wine with fine minerality, impressive concentration and excellent balancing acidity.

DOMAINE COURTAULT-MICHELET

This is an exciting new property run by the husband and wife team of Vincent and Stéphanie Michelet. Stéphanie is the daughter of Jean-Claude Courtault, head of one of the oldest vine-growing families in Chablis. The cellar and the majority of the 29 hectares of vines are in the village of Lignorelles, immediately to the north-west of the town of Chablis.

SAMUEL BILLAUD

Samuel Billaud is one of Chablis' finest winemakers. For over twenty years he has been responsible for some of the best wines produced in Chablis. He established his own winery in 2009 and, in 2014, his estate was greatly extended when he recovered his share of the Domaine Billaud-Simon vines after the family estate was sold to Faiveley. He has now built a new winery in the centre of Chablis where he ferments the wines in a mixture of stainless steel vats and 450 litre demi-muids.

FAMILLE GUEGUEN

Céline and Frédéric Gueguen both come from winemaking families (Céline is the daughter of Jean-Marc Brocard) and established their 36 hectare estate in 2013. The Bourgogne vines are just outside the Chablis appellation in the village of Préhy and produce a delicious, crisp unoaked chardonnay. Both this and their Chablis are vinified in their cellar in the village of La Chapelle-Vaupelteigne.

DOMAINE GÉRARD THOMAS ET FILLES

Gérard Thomas is supported by his daughters Anne and Isabelle at their small estate at Saint Aubin, immediately behind Puligny and Chassagne-Montrachet. Saint Aubin offers some of the best value in the Côte de Beaune; aromatic, oaky wines in the same style as their better known neighbours with great freshness and good balancing acidity.

DOMAINE CAPUANO-FERRERI

This fine, 8 hectare estate with extensive holdings in both Chassagne and Santenay is impeccably run by John Capuano who augments the domaine's own production by buying grapes on long term contracts from the owners of a further 12 hectares. The wines are vinified in the magnificent cellars in the centre of Santenay and, until recently, over two thirds of the production was sold in France. The wines are ripe and generous, well-balanced and harmonious with just the right amount of new oak.

DOMAINE FRANCK LAMARGUE

Franck Lamargue has been running this 12 hectare domaine based in the village of Le Rochepot, just over the hill from Saint Aubin, since 2005. The vineyards are worked organically and the grapes harvested by hand. A combination of new and old oak is used to vinify a range of generous whites and reds that offer tremendous value for money from some of the lesser-known villages of the southern Côte de Beaune.

DOMAINE JEAN-MARC PILLOT

Jean-Marc Pillot has been joined by his son, Antonin, and together they produce a superb range of both white and red wines. In recent vintages, they have reduced the amount of new oak used. Long, cool fermentations followed by 15 months ageing in cask give rich, intense, concentrated wines with powerful aromas and opulent fruit on the palate. All their wines show well when young but also have sufficient acidity to age gracefully.

Vincent and Sophie Morey's 20-hectare domaine lies in the heart of Chassagne-Montrachet. Their whites and reds are typically aged in 40% and 50% new oak barrels respectively, producing a range of wines which have a lovely richness, allied with precise fruits and fine minerality.

DOMAINE JACQUES CARILLON

Jacques owns land in the prime vineyards of Puligny and Chassagne, including four premiers crus and the grand cru Bienvenues-Bâtard-Montrachet. All the wines are barrel-fermented in 20-35% new oak and aged for twelve months in cask followed by six months in stainless steel vats. The style remains that of classic white Burgundy, built to age, with a winning combination of ripe fruit and thrilling acidity.

DOMAINE JEAN-CHARLES FAGOT

Based in the village of Corpeau, Jean-Charles Fagot took over the domaine in the mid 1990s. Harvesting early in order to retain as much freshness and acidity as possible, Jean-Charles has produced a generous Rully which has been fermented and aged in French oak barrels.

DOMAINE ALAIN CHAVY

Alain Chavy has been joined by his son Corentin at this splendid Puligny domaine, created in 2003 when Alain and his brother Jean-Louis went their separate ways. All the wines are fermented and aged for twelve months in barrel followed by six months in stainless steel vats in one of the few underground cellars in Puligny. Alain prefers crisp, mineral wines with pure fruit flavours and less obvious oak.

DOMAINE JEAN-LOUIS CHAVY

Jean-Louis and his son Paul, who joined the domaine this year, continue to vinify an increasing proportion of his wines in 350 litre *demi-muids* from Meursault-based *tonnellerie* Damy giving a lighter touch of oak and keeping the wines fresher and more elegant. This is a splendid source of ripe, fruity Puligny, delicious relatively early but with the balance to age well in the medium term.

DOMAINE MICHEL BOUZEREAU ET FILS

Jean-Baptiste took over from his father Michel in the 1990s and has now installed himself in a brand new cellar next to his house in the centre of Meursault. Like many domaines, Jean-Baptiste is now bottling later than in the past, giving many of the wines fifteen to eighteen months ageing in cask rather than twelve. This is now one of the appellation's top domaines.

DOMAINE PHILIPPE BOUZEREAU

There are five major domaines in Meursault belonging to different members of the extended Bouzereau family. Philippe together with his younger brother Charles have taken over from their father (also Philippe) and are making some of the finest examples of the appellation. All the wines are barrel fermented and aged for 12-18 months in 20% new oak casks in the cellars adjoining the Château de Citeaux in the centre of the town of Meursault. These are rich, intensely flavoured wines with great depth and concentration.

DOMAINE JEAN-JACQUES GIRARD

The Girards are one of the oldest winemaking families in the village of Savigny-Lès-Beaune and produce gloriously aromatic, fruity Savigny. Jean-Jacques and his son Vincent use a combination of modern and traditional techniques to produce wines of great purity and elegance. The reds are delicious, accessible wines which are fantastic for drinking when young but also have great potential for ageing. The whites have benefitted since the construction of the new winery in 2014 which allows them to be fermented in their own separate temperature controlled cellar.

DOMAINE BERTRAND AMBROISE

Bertrand and Martine Ambroise have handed over much of the day to day running of the estate to their children, François and Ludivine. The estate style is one of rich opulent whites and full-bodied, powerful reds that age spectacularly. Vinification is traditional; nearly all the pinot noir is destemmed, given an extended maceration of 15 to 25 days and aged for 12-18 months in a mixture of 400 litre and 228 litre barrels, a high proportion of which is renewed each year.

DOMAINE LÉCHENEAUT

Vincent Lécheneaut's son Jules has now joined the family estate which comprises 10 hectares of vineyards. Vinification is traditional with most of the fruit destemmed and given a five day cold maceration before fermentation in steel and cement vats at a maximum of 28°C. Ageing is in barrels from François Frères and Seguin-Moreau, whose fine-grained oak complements the wines. These are rich, elegant examples from all the finest villages of the Côte de Nuits.

DOMAINE DES PERDRIX

Purchased in 1996 by Bertrand Devillard, this estate is now run by his children Amaury and Aurore. Following the retirement of Robert Vernizeau who had worked for the Devillards for over 30 years, the wine-making is now in the highly capable hands of Benjamin Roussot and oenologist Carole Briffon.

DOMAINE HENRI GOUGES

Subtle changes are afoot at this great Nuits domaine. Pierre Gouges's son, Grégory, is making his presence felt and since 2007 the construction of a new cellar has enabled the wines to be vinified with less pumping. The wines are racked later and the proportion of new oak has risen to over 20%.

DOMAINE CHEVILLON-CHEZEUX *NEW*

Eugène-François Chevillon founded this estate in 1887 after inheriting a few plots of vines from his father, Symphorien. Now run by the 5th generation of the Chevillon family, Claire and her husband Philippe Chezeaux took over the domaine in 2000 to create domaine Chevillon-Chezeaux, which boasts more than 7 hectares of vines across 15 different appellations.

DOMAINE JACQUES CACHEUX ET FILS

Patrice Cacheux has extended the cellar under his house on the route nationale in Vosne and is now less cramped for space. The domaine owns vines in a number of different climats, all of which are now vinified separately and make for a fascinating tasting. The estate's style remains one of rich, ripe fruit allied to a healthy dose of new oak, a formula with which Patrice's father, Jacques, made his name in the 1980s and 90s and which has stood the test of time.

FRÉDÉRIC MAGNIEN

In 1995, Frédéric Magnien set up his own *maison de négoce* which he runs alongside the family domaine. Purchasing grapes principally in the northern Côte de Nuits, Frédéric vinifies all the wines in a separate cellar but using the same techniques as at Domaine Michel Magnien.

DOMAINE MICHEL MAGNIEN

Frédéric Magnien is the fifth generation to run the 19 hectare family estate based in Morey Saint Denis. His father, Michel, started with 4 hectares in 1967 gaining an international reputation for his full-bodied, concentrated reds. Frédéric joined in 1993 and has gradually tempered the style, reducing the amount of new oak and producing wines with more aroma, fruit and elegance without losing the trademark Magnien depth and richness.

DOMAINE ROSSIGNOL-TRAPET

Nicolas and David Rossignol have now had the domaine officially certified as organic and biodynamic. With lower yields and less interventionist winemaking, quality has soared. The red wines are racked less often than before and bottled later (18 months after the harvest). Up to 50% new oak is used for the premiers and grands crus.

DOMAINE HERESZTYN-MAZZINI

Florence Heresztyn has taken over her share of the family domaine and, aided by her Champenois husband Simon Mazzini, the quality since 2012 has been transformed. They believe in retaining a significant proportion of the stems during fermentation to give added aroma and structure. All the wines are aged in small oak barrels for 18 months, drink beautifully when young but have the richness and concentration to age magnificently.

The Berthenets have been growing grapes at Montagny Les Buxy, in the heart of the Chalonnais, for over 400 years but only over the last ten or so years have François Berthenet and his father Jean-Pierre started bottling their wines themselves. They vinify the majority of the wines in stainless steel to preserve the maximum of freshness in their fruit.

DOMAINE RAGOT

One of the very finest family domaines in Givry, Domaine Ragot has been run by Nicolas Ragot since 2008. He has taken the estate to new heights, extending the vineyards, constructing a new vat house and eliminating the use of chemical herbicides. The vineyards extend over 9 hectares of which 70% are red. Wine-making is traditional; all the fruit is destemmed before fermentation in stainless steel vats followed by twelve months ageing in small French oak barrels from the tonnelleres Taransaud and Hermitage.

Claudie Jobard's father, Roger, developed the estate in the 1970s, buying and planting land in Rully. Most of the vines date from this period and are now 40+ years old and producing glorious wine. As well as making top class Rully (and Pommard from her mother's side), Claudie not only continues the Jobard nursery business supplying grafted vines to growers but also, as a qualified oenologist, makes the wine for Remoissenet, the *négociant* based in Beaune.

DOMAINE NICOLAS MAILLET

Situated in the small village of Verzé in the southern Maconnais, Nicolas Maillet is the fourth generation to run this 7 hectare estate. The domaine previously sold the entire crop to the local co-operative, but when Nicolas took over from his father in 1999, he returned to the family's early tradition of estate bottled wines. The estate practises biodynamic viticulture and is certified organic since 2011. The Mâcon-Verzé blanc comes from vines with an easterly exposure and is vinified in stainless steel vats to preserve the maximum of freshness.

Saumaize-Michelin is a 9.5 hectare domaine based in Vergisson, in the heart of the Pouilly-Fuissé appellation. Owned by Roger and Christine Saumaize, the estate has been fully biodynamic since 2005. The vines are now naturally lower-yielding and disease-resistant, 40-45 years old on average and are planted in a patchwork of marl resting on limestone subsoil, resulting in wines with increased complexity. The wines are fermented in 20% new oak barrels using only indigenous yeasts.

The brother and sister team Benoit and Melanie Tarlant are the latest generation to run one of the most dynamic and forward-looking estates in Champagne. Based in Oeuilly in the Vallée de la Marne since at least 1687, the Tarlants produce top-quality, organically farmed Pinot Noir, Pinot Meunier and Chardonnay from which they fashion an impressive range of characterful champagnes. They are amongst the few Champagne growers who (alongside Krug and Bollinger) still ferment their base wines in barrel, block the malolactic fermentation in order to give greater ageing potential and believe in ageing their wines for far longer than the legal minimum.

CHAMPAGNE OLIVIER PÈRE ET FILS

This fine, family-run, 11 hectare domaine is situated on the right bank of the River Marne on the south-facing slopes of the commune of Trélou. The estate was created in 1910, and is now run by the fourth generation; brothers Bertrand and Julien. They believe in crisp, fresh, fruity champagnes with complexity and character arising from extended ageing on the lees prior to disgorgement. Their expertly crafted 'Cuvée Origine' is a blend of all three grape varieties (Pinot Meunier, Pinot Noir and Chardonnay) and has a fine balance of fruit and minerality.

DOMAINE YANN CHAVE

Yann Chave's domaine is certified organic across its 20 hectares. Le Rouvre is a plot selection from the "Chassis" area located within Pont de l'Isère where the domaine has its oldest vines (over 50 years old). Yann's emphasis is on ripeness and finesse with grapes being harvested by hand as late as possible. He uses large 600 litre casks (100% new for Hermitage and 50% for Le Rouvre) to give a delicate oak character to the wines.

DOMAINE STÉPHANE OGIER

Stéphane Ogier is one of the most progressive winemakers in Côte Rôtie and Condrieu. His impressive new winery at the southern end of the town of Ampuis houses 24 new tanks of varying sizes dedicated solely to his range of Côte Rôtie parcels, allowing him to vinify each plot separately. In addition, plantings in the 1980s and 1990s of the neighbouring hillside, La Rosine, have yielded the excellent Syrah and Viognier de Rosine, which are better than many producers' Côte-Rôtie and Condrieu.

DOMAINE PIERRE & JÉRÔME COURSODON

Pierre's son, Jérôme, has taken this famous estate to new heights. Lower yields, later picking and 100% de-stemming have contributed to richer, more succulent wines and purer fruit flavours. The terraced vineyards are largely south-east facing on schist and granite and are hand harvested. The Saint Joseph develops complexity with age giving notes of violets, raspberry and cassis. DOMAINE DU TUNNEL

Domaine du Tunnel in Saint Péray started making wine from rented vines in 1994 when Stéphane Robert was just 24, and has now grown to 10 hectares across 3 appellations: Cornas, Saint Joseph and Saint Péray. The wines Stéphane produces show wonderful ripeness, deep, round fruits and beautiful smooth texture. Not a fan of new oak, Stéphane uses older barrels which give finesse without overpowering the fruit.

Domaine la Bouissière is run by brothers Thierry and Gilles Faravel. The family has been farming the 30-50 year old low-yielding vineyards organically since the late 1980s. Nine hectares of vines are situated at the base of the famous Dentelles de Montmirail, making them some of the highest vineyards in Gigondas. This elevation permits a long growing season, adding elegance and freshness to the wines. Les Amis de la Bouissière is an unusual yet successful blend of Merlot, Syrah and Caladoc from a plot planted by Thierry next to the River Ouvèze.

The Boiron family have been making wine in Châteauneuf-du-Pape since 1860. Nicolas Boiron is now in charge of the estate that covers 32 hectares spread across 40 different parcels. The average age of the vines is a venerable 50 years. Nicolas likes to vinify with a high proportion of whole bunches, allowing him to extend the fermentation resulting in finer balance and complexity. These are some of the most characterful wines of Châteauneuf with masses of spicy fruit on both nose and palate, rich, generous textures and long, persistent finishes.

JEAN-PIERRE MOUEIX

When Jean-Pierre Moueix founded his business in 1937, the wines of Saint Emilion and Pomerol were little known. A great pioneer of his generation, he developed wines of the highest calibre and opened eyes around the world to the quality that the right bank wines of Bordeaux had to offer. Today, his son Christian, and grandson, Edouard continues to produce some of the finest wines of the region.

CHÂTEAUX FAYAU & GABELOT

Château Fayau is the heart of the Médevilles' 180 hectare estate, spanning both banks of the River Garonne. It is a family run property, masterminded by brothers Jean and Marc, and their cousin Jacques. Their vineyards are perfectly located for the production of rich, generous reds and delicious, sweet whites. The Médevilles also own Château Gabelot, a splendid 20 hectare estate near the village of Ladaux.

CHÂTEAUX LÉOVILLE & LANGOA BARTON

Based in the heart of the Saint Julien appellation, Château Langoa Barton, 3ème Cru Classé, and Château Léoville Barton, 2ème Cru Classé are owned by the Barton family. The Bartons are one of the oldest families in Bordeaux and have maintained ownership of their two properties since the 1820s. Lilian Barton Sartorius, daughter of the late Anthony Barton, now runs these two estates along with Château Mauvesin-Barton, which was acquired in 2011. We are delighted to hold some older vintages of both chateaux as well as their excellent second wine La Réserve de Léoville Barton which is made from the younger vines and vinified to be more approachable when young.

VIEUX CHÂTEAU GAUBERT & CHÂTEAU CIVRAC-LAGRANGE

Vieux Château Gaubert has 40 hectares of vines at Portets in the heart of the Graves appellation. The low-yielding old vines produce a rich, concentrated, age-worthy wine seasoned with a judicious dose of new oak. Château Civrac-Lagrange, in Pessac-Léognan, was bought by Dominique Haverlan in 2004. Vinification is in stainless steel vats followed by 12 months maturation in 30% new oak barrels.

The 85 hectares of gravel, clay and limestone vineyards are planted with 50% Cabernet Sauvignon, 40% Merlot, 5% Cabernet Franc and 5% Petit Verdot for the red wine, whilst the white plantings are 70% Sauvignon, 28% Sémillon and 2% Muscadelle.

The finest château of Lustrac with a high proportion of free-draining gravel soils. Previously owned by the Pagès family, the property was purchased in 2019 by Gérard Jicquel. His first appointment was that of Lucas Leclercq, former technical director at Château Lafon Rochet, as estate director and wine maker. Fourcas Dupré also runs Château Bellevue Laffont, a neighbouring property, producing a softer, more forward Lustrac.

PORT

QUINTA DE VAL DA FIGUEIRA

Johnnie Hoelzer makes this impressive, ten year old Tawny Port at Quinta de Val da Figueira, a beautiful estate overlooking the Douro just a few kilometres downstream from Pinhão. Proper aged tawny is the most elegant, quality port one can buy and, as a result of its long ageing in barrel, it keeps better than vintage port once the bottle is opened. This 10 year old Tawny was the best I tasted when in the Douro — rich, smooth and aromatic.
